

Demonstration of Packing Objects – further information

In these YouTube videos, Professor Jane Henderson from the University of Cardiff clearly demonstrates basic packing techniques:

- [Making tissue puffs](#)
- [Packing a box](#)
- [Making tissue sausages](#)

There are also excellent resources on the South West Museum Development website <https://southwestmuseums.org.uk/> including two short 'how-to' films on '[Packing: using Plastazote](#)' and '[Packing: using Polyester Wadding](#)' and [step by step instructions for making tissue puffs and sausages](#)
